

RETRO SELECTION

Foto: www.bottleshooters.eu

Grape variety: Rebula, Zelen, Pinela, Malvazija

Winemaking process: Manual harvest of selected biodynamic grown grapes sorted in the vineyard. All varieties are harvested at the same time. One week maceration of the grape mash and spontaneous fermentation with own yeast. Mild pressing and one-year maturation of the wine in a big traditional oak old wooden barrel in which the process of malolactic fermentation takes place. The wine matures on its own lees for one year. Bottling with minimal addition of sulphur without filtration.

Wine description: The colour is golden yellow and lively. The bouquet is extremely complex. The wine combines the aromas of dried flowers, especially chamomile, herbs, mature and dried fruit and honey. A gentle, medium-bodied wine with just enough freshness. Highly mineral, harmonious and elegant.

Recommended serving temperature: 12 - 15°C

Vintage on the market: 2021

Date of bottling: 20.1.2023

Number of bottles: 7505

Alcohol: 13,61 % vol.

Sugar residual: 1,1 g/l

Total acidity: 4,20 g/l

Volatile acidity: 0,47 g/l

Free SO₂: 10 mg/l

Total SO₂: 35 mg/l

PH:3,60

Certification: Organic and Biodynamic - Demeter

Packing : case 6 or 12 bottles x 0,75l
